## Wanted

Ten enthusiastic paddlers to take part in an exciting canoe trip learning adventure down the Miramichi River !!! Between August 15<sup>th</sup> and 21<sup>st</sup>, 2011 the Canadian Canoe Foundation (CCF) in partnership with Canoe and Kayak New Brunswick (CKNB), the Miramichi River Environmental Assessment Committee (MREAC) and Arpin Canoe Restigouche will be leading an environmental education canoe trip program down the Miramichi River!

Participants will receive instruction in canoeing and camping skills while enjoying the natural surroundings of this beautiful river. Structured lessons during the trip will focus on the environmental issues affecting the Watershed, the health of the region's Atlantic salmon populations and the important work being done by local organizations to improve the health of the Miramichi Watershed.

## To be eligible you must be

- in Grade 7 or 8 as of June 1<sup>st</sup>, 2011
- a resident of New Brunswick and go to school in or live within the Miramichi River Watershed
